## Welcome to Von Ber Mar Farms . . .

We cordially invite you to attend our second annual sale. We sincerely believe we have much to offer you. Although our herd was established nearly a decade ago, its existence is relatively short in the lifetime of a breeder. Our purpose and aim at the outset was to establish a large herd, one with capacity enough to supply royally bred seed stock at all times. We now believe the size of our herd is adequate and the size of our farms sufficient to maintain it. We believe now we are in a position to hold annual sales of the size and quality we desired with most of the animals offered being predominately of our own breeding. However, we shall always exert every effort to progress and improve our herd with selective additions of further improving sires and herd foundation females. If you will study this catalog carefully, we believe that you will agree that this has been and always will be our policy.

We are proud of the progress we have made at Von Ber Mar Farms in a few short years. We believe our herd is now one of the largest and strongest in North America. Every one of our six great herd bulls had a great proven record or a strong background of proven ancestry when we acquired them. Every one has now had an opportunity to prove himself at Von Ber Mar Farms which each has done beyond our most hoped for expectations. The royally bred cow herd of over 200 head has now been molded into a uniform producing unit with each one carrying her share in producing improvers of Scotch Shorthorns. Our winning of grand championships in 1959 at the International Livestock Exposition

Vaughn V. Moore

Harold "Spoof" Cheatham

and the American Royal, and in 1961 at the National Western Livestock Show, and at many leading state fairs the last three years has given us confidence that our aim has been right.

Von Ber Mar pedigrees are filled with the names of breeders who have contributed much to the improvement of Shorthorns on both sides of the Atlantic. We will make every effort to carry on the work of these master breeders.

We are proud of this offering because it is backed by a wealth of imported blood that should be helpful to breeders in their efforts toward improvement. Further, nearly forty lots selling were bred by us, and the balance of the offering were calved here or sired by and out of bulls and dams we now own. We are offering the get, service, or both of each one of our six great herd sires.

We are proud to offer the first seven sons and four daughters that the world famous sire, Kair Masterkey, has sired in America, and right here at Von Ber Mar Farms. We believe they will be readily accepted in the leading herds in America. We are equally proud of the balance of the bull and female offering by our other great sires. They are a worthy lot and a very fairly selected representative cross section of our entire herd.

Again—we hope to have the honor of your presence at our Second Annual Sale at Von Ber Mar Farms.

Vaughn V. Moore, Owner.

Von Ber Mar Broadhooks 3d

Grand Champion female and Supreme Champion Shorthorn at the 1959 International. Also Champion American Royal, Iowa and Missouri State Fairs, for Von Ber Mar Farms. Now a valued member of their breeding herd.

There is much to see at Von Ber Mar Farms. Plan to spend Sunday, September 24th at the farm for a leisurely inspection and join the crowd that evening for a Shorthorn get-together where Owner Vaughn Moore and Manager Harold "Spook" Cheatham will be hosts.

The Second Annual Von Ber Mar Sale is the kind that you feel proud to be associated with and enjoy fulfilling its management duties. Several years ago after many years as a successful business man Vaughn Moore returned to Iowa and bought the home farm where he was born and where Shorthorn cattle were maintained during his boyhood years. Ownership of this farm caused a desire to own Shorthorns of which a few were acquired. This start increased the desire to acquire more farms and more Shorthorns, with the aim to establish a large herd with capacity enough to supply royally bred seed stock at all times.

Spending some time at Von Ber Mar Farms as many others and I have done several times during the past year convinces you that Vaughn has done just that, with the exception that he has done far more. With thousands of others the country over you realize that Vaughn Moore has established one of the largest and one of the strongest herds in America and of the breed. It is evident that this has been done through careful selection of the very best foundation stock obtainable all over the United States, Canada and Scotland, and in good management practices. The herd now numbers nearly 300 head. Therefore, this tremendous production sale offering with nearly eighty percent bred or calved at Von Ber Mar Farms is made possible.

Study this catalog very carefully. It is a richly bred offering. With the exception of a few, all are by noted imported sires. Eighty percent are out of imported cows or daughters of imported cows whose pedigrees contain the very best breeding in Scotland. The twenty-one bulls are an outstanding lot from which many of the most critical can select herd bulls. The forty-seven royally bred females can strengthen many herds in the land. An opportunity to obtain the get and service in one sale of one of the greatest herd bull batteries in America such as the six noted sires at Von Ber Mar Farms rarely presents itself. An attraction is the offering for sale of the first seven sons and four daughters sired in America by World Famous Kair Masterkey. Many breeders will wish to avail themselves of this buying opportunity. That the aims of Vaughn Moore has been correct is evidenced by the championship winnings of Von Ber Mar Farms at the 1959 International, American Royal, and leading state fairs and at the 1961 National Western.

In addition to building a great herd, Vaughn Moore has been a tireless and energetic worker in behalf of the entire Shorthorn industry over the entire United States. Many of you have observed him in this role and appreciated his help. However, I sincerely hope that you make plans to be at Von Ber Mar Farms on sale day and help yourself to the results of his great work in improving Scotch Shorthorns.

## VON BER MAR ROAN ROBIN

*Grand Champion bull 1961  
National Western Live-  
stock Show for Von Ber Mar  
Farms.*

Von Ber Mar Roan Robin became the first bull in history to register at the swank Hilton Hotel in Denver. Truett Gore, the manager of the hotel, hands R. Roan Robin a pen for registration, but R. Roan Robin declined the offer since he had already been registered by the American Shorthorn Association office in Omaha. He did accept the hospitality of the house and spent the evening reclining on a mountainous couch of Colorado wheat straw in the middle of the lobby.

R. Roan Robin was the center of attraction the night of the Shorthorn Association annual meeting and banquet. His owner, who occupied less spacious quarters in another part of the hotel, hopes the experience has not spoiled his junior herd sire—as Moore said, “It is not every bull that gets to sleep in a hotel lobby 300 feet long with an open bar at one end and a star spangled Christmas tree at the other.”

KAIR MASTERKEY—Fortunate was the day we were able to purchase this world famous sire. Only because nearly all of his daughters were being retained in the famous Glamis herd who purchased him for \$16,800 in the Perth Sale were we able to do so. Kair Masterkey is a great individual, possessing the bone, shortness of leg and breed character so sought after. His great record of proven prepotency is summarized elsewhere in this catalog. Study it carefully. His sons and daughters are in outstanding herds on three continents. Seven bulls and four females by him sell. A number of females will carry his valuable service.

GLAMIS MASTERSTROKE—We purchased this bull in the 1958 Mathers sale for \$3,800 before we purchased his world famous sire, Kair Masterkey. Glamis Masterstroke stood fourth in a strong class at the 1958 Perth Show. He is an outstanding individual with scale, bone, substance and character. His dam is one of the top cows of the Flossie tribe in the Glamis herd. Most of the famous Calrossie bulls are in her pedigree. The only son of this bull sold was Von Ber Mar Masterstroke who topped our 1960 sale selling to Bit O'Heaven Farm, Prospect, Kentucky, for \$2,950. Five bulls and five females by this great young sire sell. A number of females will carry his service.

VON BER MAR ROAN ROBIN—We bought Glastullich Princess Dinah in Scotland and made arrangements to have her mated to the noted Bapton Roan Robin, the son of the \$50,000 Bapton Constructor that was retained for use in the Bapton herd and later sold to New Zealand. We were fortunate to have this cow drop an outstanding bull calf that has been good since the day he was born. He is Von Ber Mar Roan Robin who is a half-brother to the great Louada bull, Kipellar Roan Robin. As a junior calf in 1959 Von Ber Mar Roan Robin was made grand champion bull of the Iowa State Fair and won his class at the American Royal. In 1961 he was made grand champion bull of the great National Western show at Denver. To date we have several calves by this great young bull and they are outstanding. To give breeders an opportunity to share in his first get we are selling two calves at foot by him, and a half dozen heifers bred to him.

Right—This is **BAPTON ROAN ROBIN**, the sire of our great junior herd bull **Von Ber Mar Roan Robin** whose pedigree appears on the preceding page. **Bapton Roan Robin** is the bull that was retained in the famous **Bapton Herd** when his sire, **Bapton Constructor**, was sold to **Louada Farms** at \$50,000. He is the sire of **Kinnellar Royal Robin**, also in service at **Louada**.

Left—**GLASTULLICH PRINCESS DINAH** with **Vaughn V. Moore** holding. Photo was taken in **Scotland** at time **Mr. Moore** purchased this heifer. He made arrangements to have her bred to **Bapton Roan Robin**. The resulting calf dropped at **Von Ber Mar Farms** was **Von Ber Mar Roan Robin**, the **Denver** and **Iowa State Fair** Champion.

His sire is the noted Calrossie Hyperbole who sired the 1958 Perth Supreme champion, the \$39,000 Calrossie Fortitude. His dam by the noted Kirkton Baronet is out of the same dam as the great Glastullich Fortress who sired a Perth champion. VON BER MAR CRUSADER 11th—This could be one of Glastullich Crusader's very best sons. He has a great head, is exceptionally deep, thick, straight in his lines, heavy boned with four sturdy legs set out on each corner. An outstanding herd bull and show prospect. In addition to his sire, consider his great dam who is one of our best producing imported cows that produced Bapton Criterion who sold in our 1960 sale for \$1,000 to Dr. John Dewar, Cherokee, Iowa. She comes from a great Broadhooks family and is sired by the famous Calrossie Constellation and thus is a half sister to the famous Louada sire, Bapton Constructor and the Perth champion Rothney sire Bapton Cairnbrogie. Here is a bull with the quality and breeding to go into the best of herds.

**FONTANA GOLDEN DROP**—One of our top foundation cows that we were very reluctant to part with. However, the sale management talked us into it. Only a six-year-old, she is a good headed, lowset and deep bodied kind of female that you picture as the ideal type of brood matron. Her sire, Calrossie Cock Robin made a great record in the Grant Campbell herd in Canada and is now doing the same for the R. E. Smith Lone Star Herd in Texas. Her imported dam is a granddaughter of two famous bulls, Uppermill Metaphor and Calrossie Good News. This cow's daughter sold to Fuhrman Bros., Mound City, Mo., and her half sister to Chas. & Loraine Augustine, Lake City, Minn. We have her dam and daughter in the herd. To make this cow doubly valuable she will have a calf at foot by sale day to the service of our 1959 Iowa State Fair and 1961 Denver Show Grand Champion Bull, Von Ber Mar Roan Robin by the noted Bapton Roan Robin. Rarely are combinations such as this offered for sale. This is a sale attraction.
